ENGLISH TEACHING

LEARN IN CLASS AND IN THE STUDIO

Our carefully designed English syllabus is based on the CLIL approach, which is used in prestigious English teaching schools worldwide. The focus is on sport, while also gaining a broader understanding of English in the wider world. Teachers live on campus and take a student-centred approach in the classroom. They ensure students communicate in English throughout the camp in order to create a unique and immersive English environment.

WHAT YOU GET

13-14 HOURS OF ENGLISH LESSONS PER WEEK

1:12 TEACHER TO STUDENT RATIO (AVERAGE)

INDIVIDUAL REPORT TO TAKE HOME

HOW IT WORKS

Before the course starts, students take an online English grammar and vocabulary test. On the first day of camp, a speaking assessment with their teacher further helps determine their level.

Classes are engineered to focus on general English and sports-related English. Using the topic of sport engages students with a common interest in the classroom and equips them with useful vocabulary for their coaching sessions. Lessons are fun and interactive, using a combination of traditional classroom techniques, active participation and project work.

At the end of each week, students will receive an English progress report, along with some advice from their teacher on how to continue improving their English at home.

“

Millie had the best time at the Dance camp, she loved it so much she stayed for a second week. I was nervous about Millie being away from home, but the team at the camp was so amazing and reassuring I knew she was in great hands. As a family we've seen such a positive change in our daughter, she is already asking to go back next year. Thank you so much Nike Sports Camps!”
