THE COACHING

ON COURT

360° TENNIS

Players are assessed and grouped by ability. Each group's programme is customised to maximise players' individual skills progression. Working on a maximum 1:6 ratio, coaches use demonstration, practice and detailed feedback to provide players with insight into their technique and how to improve.

RAISE YOUR GAME

Advanced players are challenged technically, tactically and physically while developing players learn to master grip, spin, movement, and consistency. Alongside short-set matches and challenges, fitness and conditioning drills are used to improve footwork, balance and speed.

ENGLISH LANGUAGE

LEARN IN CLASS AND ON COURT

Our carefully designed English syllabus is based on the CLIL approach, which is used in prestigious English teaching schools worldwide. The focus is on sport, while also gaining a broader understanding of English in the wider world. Teachers live on campus and take a student-centred approach in the classroom. They ensure students communicate in English throughout the camp in order to create a unique and immersive English environment.

WHAT YOU GET

13-14 HOURS OF ENGLISH LESSONS PER WEEK

1:12 TEACHER TO STUDENT RATIO (AVERAGE)

INDIVIDUAL REPORT TO TAKE HOME

HOW IT WORKS

Before the course starts, students take an online English grammar and vocabulary test. On the first day of camp, a speaking assessment with their teacher further helps determine their level.

Classes are engineered to focus on general English and sports-related English. Using the topic of sport engages students with a common interest in the classroom and equips them with useful vocabulary for their coaching sessions.

Lessons are fun and interactive, using a combination of traditional classroom techniques, active participation and project work.

At the end of each week, students will receive an English progress report, along with some advice from their teacher on how to continue improving their English at home.

“

We create a team atmosphere on the camp with a balance of hard work, fun and friendly competition. Being with the players 24/7, we learn about the specific ways we can help them improve. They help each other a lot too – we have so many different nationalities and cultures, it makes for a really exciting and diverse environment.”
