ERIC BOATENG

Eric has enjoyed a basketball career that has seen him play at the highest level of the US college system, experience the NBA, play in professional leagues across the world and become a British Olympian. After moving to the US at the age of 16, Eric earned national recognition during his time at high school before gaining a scholarship to play NCAA Division I college basketball.

After taking part in the NBA draft of 2010 and having preseason spells at the New York Knicks, Denver Nuggets and the LA Lakers, Eric played professionally in the second tier of the NBA and in professional leagues in Greece, Germany, Argentina and France. Eric was also a regular in the British basketball team after making his international debut at the age of 21 and represented Team GB at his home Olympics in London in 2012. Eric trains, oversees and supports the head coach at each venue, delivering a masterclass session each week and bringing his extensive knowledge of the pro game to the camp.

COACHING PROGRAMMES

DEVELOPMENT CAMP

AGES 10-13

The coaching team creates a high-energy and fun training environment on court, with a focus on improving fundamental skills and technique. Players are grouped by age and ability. Development is supported through drills focusing on ball-handling, dribbling, shooting, defending and teamwork. Every Friday, players put their skills to the test in a weekly tournament.

ADVANCED CAMP

AGES 13-17

High-intensity training is tailored to the individual level, with coaches challenging players to improve on-court performance. Pro-style drills covering offensive and defensive technical skills and 5v5 game scenarios give an insight into life as an elite player, encouraging all-round athlete development. A weekly tournament gives players the chance to perform under pressure, competing to be crowned champions.

PERFORMANCE CAMP

AGES 15-17

Set within a university campus, this programme is designed to give experienced players a greater tactical understanding of the game and an insight into how to improve individual performance. Coaches share experiences of the professional game, giving players an understanding of what it takes to make the step up. With a focus on detailed technical drills and position-specific training, players are challenged to elevate their performance.

GIRLS CAMP

AGES 13-17

Available on selected weeks, the girls' basketball programme is designed to develop the next generation of female players in a fun and engaging environment. Training in all-girls groups, coaching is tailored to the individual level, with coaches challenging players to improve on-court performance. Pro-style drills covering offensive and defensive technical skills and 5v5 game scenarios give an insight into life as an elite player, encouraging all-round athlete development. Girls can also opt to join mixed training groups on our Advanced Basketball Camps throughout the summer.

ENGLISH TEACHING

WHAT TO EXPECT

Classes focus on sport, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own match commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.
