ERIC BOATENG

Eric has enjoyed a basketball career that has seen him play at the highest level of the US college system, experience the NBA, play in professional leagues across the world and become a British Olympian. After moving to the US at the age of 16, Eric earned national recognition during his time at high school before gaining a scholarship to play NCAA Division I college basketball.

After taking part in the NBA draft of 2010 and having preseason spells at the New York Knicks, Denver Nuggets and the LA Lakers, Eric played professionally in the second tier of the NBA and in professional leagues in Greece, Germany, Argentina and France. Eric was also a regular in the British basketball team after making his international debut at the age of 21 and represented Team GB at his home Olympics in London in 2012. Eric trains, oversees and supports the head coach at each venue, delivering a masterclass session each week and bringing his extensive knowledge of the pro game to the camp.

COACHING PROGRAMMES

DEVELOPMENT CAMP

AGES 10-13

The coaching team creates a high-energy and fun training environment on court, with a focus on improving fundamental skills and technique. Players are grouped by age and ability. Development is supported through drills focusing on ball-handling, dribbling, shooting, defending and teamwork. Every Friday, players put their skills to the test in a weekly tournament.

ADVANCED CAMP

Coaches share experiences of the professional game, giving players an understanding of what it takes to make the step up. GIRLS CAMP AGES 13-17

ENGLISH TEACHING

WHAT TO EXPECT

Classes focus on sport, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own match commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.

CAMP EXCURSIONS

All camps include exciting excursions, giving players a taste of some of the UK's top attractions.

THEME PARK

There's something for everyone at England's top theme parks. Adrenaline junkies can ride rollercoasters that go from 0-80mph in under two seconds, while those who prefer to keep their feet near the ground can enjoy smaller rides and traditional fairground activities.

OXFORD TOUR

Players explore the historic city of Oxford, home to the oldest university in the English-speaking world, with magnificent architecture and academic history around every corner.

LONDON EXPERIENCE

Players experience the sights of England's capital city including the famous 'Big Ben' and Buckingham Palace, rounding the day off with the chance to do some shopping.

LIFE ON CAMP

Camps are action-packed with sport, learning and meeting friends from around the world. Player welfare is at the heart of what we do, and camp life is designed to provide a fun and supportive environment for players to grow in skills and confidence.

ACCOMMODATION

Players stay in boarding houses on campus based on age group, with boys and girls in separate houses. All houses have a communal players' lounge for relaxing during downtime. Some boarding houses have single bedrooms only. Where houses have shared bedrooms, we may be able to accommodate roomshare requests.

DIET, NUTRITION AND HYDRATION

Meals are nutritionally balanced and designed for young athletes. There are a variety of options to choose from, including a vegetarian option. Welfare staff guide each player to ensure they are eating and drinking enough of the right foods during the camp. Coaches ensure players drink plenty of water during training sessions.

WELFARE STAFF

There is a dedicated camp management and welfare team on-site all day and night. They are trained to look after players' wellbeing and are always on hand to help, support and guide campers to reach their full potential.

MEDICAL AND INJURY

Medical staff are available on-site each day to monitor illness, medical conditions and dispensation of medication. Further support and advice is provided by an on-call private doctor. Sports therapists or physiotherapists are present during sports sessions in case of injuries and subsequently to advise on recovery.

MOBILE PHONES

We want players to make the most of their time at camp and connect fully with their fellow campers. Device usage is limited to designated periods, giving players the chance to contact home while encouraging them to engage with others and enjoy the camp experience to the fullest.
