CAMP VALUES

At the heart of everything we do on camp are our values:
Drive, Resilience, Empower, Adapt, Mentor and Success
– which together form DREAMS

WHERE DREAMS ARE MADE

Our values are designed to equip players with the qualities and skills to thrive both in sport and life. Each day of camp is built around one of these values, shaping the focus of coaching sessions, afternoon workshops, and English lessons. Together, players will explore what these values mean and how they can embody them while on camp and carry them forward long after they leave.

DRIVE
Give your best effort
in everything you do

RESILIENCE
Be brave enough
to step outside
your comfort zone

EMPOWER
Support each other
and share positive energy

ADAPT
Be open to change
in order to grow

MENTOR

by showing respect
and kindness

SUCCESS
Celebrate each other's
successes and everyone
becomes stronger

COACHING

360° TENNIS

Players are assessed and grouped by ability. Each group's programme is customised to maximise individual skill progression. Working on a maximum 1:6 ratio, coaches use demonstration, practice and detailed feedback to provide players with insight into their technique and how to improve.

RAISE YOUR GAME

Advanced players are challenged technically, tactically and physically while developing players learn to master grip, spin, movement, and consistency. Alongside short-set matches and challenges, fitness and conditioning drills are used to improve footwork, balance and speed.

ENGLISH TEACHING

WHAT TO EXPECT

Classes focus on sport, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own match commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.

WORKSHOPS

WHAT TO EXPECT

They are introduced to a range of topics designed to give a broader view and better understanding of athletic performance, and what it takes to succeed on and off the court. They also follow a series of recovery exercises, such as yoga, helping players manage the workload of training twice a day.

Some boarding houses have single bedrooms only. Where houses have shared bedrooms, we may be able to accommodate roomshare requests.

DIET, NUTRITION AND HYDRATION

Meals are nutritionally balanced and designed for young athletes. There are a variety of options to choose from, including a vegetarian option. Welfare staff guide each player to ensure they are eating and drinking enough of the right foods during the camp. Coaches ensure players drink plenty of water during training sessions.

MEDICAL AND INJURY

Medical staff are available each day to monitor illness, medical conditions and dispensation of medication. Further support and advice is provided by an on-call private doctor. Sports therapists or physiotherapists are present during sports sessions in case of injuries and subsequently to advise on recovery.
